Product End of Life (EOL) Notification

Change Notification #: E140602

Change Title: BCM® **BC45Q** Official End of Life Notice

Date of Publication: 02/03/2014

Key Characteristics of the Change:

1. Product is being discontinued due to multiple key component EOL notifications including key component Intel® 82801JO I/O Controller.

Customer Impact of Change and Recommended Action:

1. BCM is accepting **last time buy orders through July 31, 2014** for the BC45Q.

2. At BCM's discretion, last time by orders may be scheduled to ship through January 31, 2015 with a non-cancellable and non-returnable (NCNR) PO.

3. For NCNR orders BCM may require an advanced deposit covering material costs.

4. BCM may continue to accept orders for this product on a build to order basis with minimum order quantities after the last time buy date subject to component availability. Such order requests will be at BCM's discretion to accept and may require a deposit covering material costs.

Products Affected / BCM Ordering Codes: BC45Q (70801-C)

Recommended Replacement Products: BC77Q; BC87Q
